## **DETAILED OFFICE ACTION**

### **Faxing of Responses to Office Actions**

In order to reduce pendency and avoid potential delays, TC 3700 is encouraging FAXing or responses to Office Actions directly into the Group at (571) 273-8300. This practice may be used for filing papers, which require a fee by applicants who authorize charges to a PTO deposit account. Please identify the examiner and art unit at the top of your cover sheet. Papers submitted via FAX into TC 3700 will be promptly forwarded to the examiner.

1. Claims 1-13 and 15-17 have been canceled. Claims 18-26 have been added.

### ***Allowable Subject Matter***

2. Claims 14 and 18-26 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: No prior art of record teaches or fairly discloses a birthday calendar comprising: a single-sheet twelve-month chart disposed on the first section of the backing; the chart having seven vertical

and horizontal parallel arranged intersecting lines imprinted thereon defining memorandum spaces; a transparent protective cover disposed over the chart; a monthly calendar joined to the chart such that the calendar and chart are simultaneously visible, wherein the monthly calendar has an erasable surface for reuse from month-to-month and is made from whiteboard; and including all of the other limitations from the independent claim.

The Newberry reference does disclose a calendar having a unitary backing defining a first and second section; a single sheet, which can comprise any indicia; and a transparent cover disposed over the chart. However, Newberry does not disclose wherein the monthly calendar is made from whiteboard.

#### ***Prior Art***

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Malcolm et al, and LeCompte disclose similar calendar and charts.
